WVRA OFFICERS

We must receive this signed agreement before the event, contact Tonya Daft if you have any questions.

Members of the West Virginia Re-enactors Association request your permission to bring historical firearms, flags and weapons to your facility for an educational presentation. Members of the reenactment group must have permission to bring historical weapons and flags onto or in school and/or private property.

The members of the West Virginia Re-enactors Association will present a Civil War program \_\_\_\_\_ at \_\_\_\_\_.

Safety is the utmost importance to our group and we request that students and individuals remain at the requested distance while the demonstration is presented.

Period weapons and items will be on display for historical purposes and educational resources. The firearms will have their firing mechanism removed and will not at any time be loaded with any ammunition or able to dislodge any ammunition during the presentations. Other items will be on display but should never be handled by the students or individuals, not associated with the West Virginia Re-enactors Association.

Civil War Flags of both Confederate and Union representation might also be on display. These flags represent an historical purpose only. If any flag is excluded from the presentation then none of the flags will be displayed.

Please check and sign below if you agree to give us permission to bring these items into your facility.
